RE: Application of Duke Energy Progress, LLC to Establish a New Cost Recovery and Incentive Mechanism for Demand-Side Management and Energy Efficiency Programs
Docket No. 2015-163-E

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina that ORS has reviewed, and does not oppose, the notification letter ("Letter") submitted by Duke Energy Progress, LLC ("DEP" or the "Company") in the above referenced Docket on April 6, 2018. In this Letter, the Company submits, for informational purposes only, notification that DEP began offering BR30s (track lighting) Light Emitting Diodes (LED) in the Multi-Family Energy Efficiency Program ("Program") on March 12, 2018. In addition, the Company will roll out the use of MR16s in the Program beginning May 2018.

Thank you for the opportunity to provide comments in this matter.

Sincerely,

Andrew M. Bateman
